

# INSPIRE

SERIES *Plantation Shutters*

*Style, Shade and Privacy Control*

## INTERNAL PLANTATION SHUTTERS

INSPIRE Plantation Shutters bring a level of class, sophistication and a modern look to the home with a wide range of applications.

Guaranteed to outlast and out perform timber and PVC (Polyresin) shutters, our shutters are environmentally friendly, manufactured with recycled materials, which eliminates the deforestation required for timber shutters and the carbon emissions required to manufacture PVC shutters.
